REQUEST FOR DRAWING REVISION

Sir:

Applicants respectfully request that the drawing comprising Table 4 be revised as attached marked in red ink. In this connection, the drawing revision is merely to identify the "clock circuit" as a "watch circuit" in conformance with the terminology on Page 21 of the specification which the circuit is appropriately referred to as a "watch" circuit. The drawing amendment does not in any manner introduce new subject matter, and upon the Examiner's approval thereof and allowance of the application, appropriately amended formal drawings will be submitted by the applicant.

Respectfully submitted,
